## **The Good News from COFFEE HOUR COMMITTEE**

Our seven Coffee Hour Teams continue to provide wonderful and delicious treats for all to enjoy following our 10:15 liturgy. Our schedule has remained intact with ample help each Sunday even with Summer Vacations and the very hot days.

We are well within our budget due to the generosity of our Team members. We are encouraged by the willingness of all to attempt to keep some semblance of order and neatness in our closet and pantry.
